### 2020 VIRTUAL DIAMOND BALL MESSAGE

Matthew A. Love

President & CEO, Nicklaus Children's Health System

Welcome to the 2020 Virtual Diamond Ball! While we wish circumstances were different this year, we are truly grateful for your support during our virtual experience tonight. Your generosity for the health and well-being of children makes a difference, especially in these turbulent times.

As we continue to face the challenges brought forth by the COVID-19 pandemic, it's never been more apparent that we are all in this together. I'm proud of the health system's swift and deliberate COVID-19 response over the past nine months, as well as our work with neighboring health systems and community partners to promote the health and safety of children and families. With you by our side, we are able to always put children and families first. That's why your support of the COVID-19 Relief Fund tonight is so essential.

It has been an unpredictable year filled with twists and turns, but also a milestone year for our hospital. For Nicklaus Children's, 2020 marks our 70th year of providing world-class care to the children in our community and beyond. We are proud of this accomplishment and look forward to partnering with champions like you for generations to come.

Thank you for keeping Nicklaus Children's Hospital so close to your heart.

Yours in health,

Matthew A. Love President and CEO, Nicklaus Children's Health System

### 2020 VIRTUAL DIAMOND BALL MESSAGE

Ricky K. Patel, Esg.

Chair, Nicklaus Children's Hospital Foundation Board of Directors

Sr. Partner, Farrell, Patel, Jomarron & Lopez

South Florida, thank you for joining us tonight! It is wonderful to see the way we all continue to rally around our favorite children's hospital, even in challenging times such as these. This is when Nicklaus Children's Hospital needs us most.

As a father of two beautiful girls who has had to personally visit Nicklaus Children's Hospital, I can attest to the amazing patient care our healthcare heroes provide there every day. We are truly lucky to have a nationallyrenowned hospital in our own backyard.

Last year, you helped us raise a record \$2 million for mental health at our incredible Diamond Ball gala. Since then, Nicklaus Children's has been able to expand mental health offerings for children in exciting ways, from hiring more trained staff and offering additional outpatient services to ensuring greater access to care for the underserved and uninsured. Knowing that our generosity is positively impacting patient care makes every dollar of our charitable giving worthwhile.

I have never been more proud to serve as chair of the Nicklaus Children's Hospital Foundation Board of Directors. Thank you to every individual and corporate sponsor for your participation in this year's Virtual Diamond Ball. We are better because of all of you.

Your friend,

#### *Ricky K. Patel, Esq.* **Chair,** Nicklaus Children's Hospital Foundation Board of Directors

### 2020 VIRTUAL DIAMOND BALL MESSAGE

Michelle Boggs

Senior Vice President, Nicklaus Children's Health System

President, Nicklaus Children's Hospital Foundation

We are so glad you have joined us for our 14th Annual Diamond Ball and our first-ever virtual experience!

While many things around us are at a constant change, we find comfort in knowing some things remain the same. The strength and resilience of our healthcare heroes, our amazing staff at Nicklaus Children's Hospital who serve on the frontlines, and the continued love and support of generous individuals such as yourselves have made it possible to come together, pull through difficult times, and bring out the best in our community.

I am most touched and inspired by our ability to overcome great odds, finding new ways to live, work, and most importantly, give back to our community. When we come together at virtual events like this and support our favorite charities, and our most vulnerable friends and neighbors, we all benefit.

Together, as we raise essential funds tonight for the Nicklaus Children's Hospital COVID-19 Relief Fund, we remember the children who are helped because of our support. Your generosity never goes unnoticed for patients like Gabriel whose inspiring story you will hear tonight.

Thank you for helping us safeguard the well-being of patients and families served by South Florida's only freestanding children's hospital. We deeply appreciate everything you do to always keep kids first.

#### Yours truly,

#### Michelle Boggs
